

## QUALIFICATIONS

Jerry Aplass is an award-winning industry expert with many years of experience in the Land Surveying and Civil Engineering field. He has worked on many residential subdivisions, commercial sites, industrial developments, multi-family sites and mixed use projects. Mr. Aplass also has a lot of expertise in successfully securing approval of entitlements from cities, counties and other government agencies throughout Northern California. Mr. Aplass also provides expert witness services relating to the area of land development. As **Principal in Charge**, Mr. Aplass is involved with overseeing and guiding each project Burrell Consulting Group, Inc. undertakes. He makes sure that the firm meets all the project and client goals to ensure every project is successfully completed within budget and without delays. Jerry's integrity in dealing with their clients allows Burrell to provide exceptional service and excellent outcomes.

## RELEVANT PROJECT EXPERIENCE

### *ANTELOPE COMMUNITY LIBRARY (Antelope, CA)*

Prepared boundary and topographic survey including locating and identifying the location of all utility lines in the vicinity of the site. This survey was used for the design and construction of the new library on a 2.7 acre site for Sacramento County.

### *COMMUNITY OF LOCKE (Sacramento County, CA)*

Conducted a boundary and topographic survey, including locating all existing structures to facilitate a subdivision of the existing Chinese community of Locke for the Sacramento Housing Redevelopment Agency. Subdivision map was prepared to create separate lots for each structure.

### *CITY OF LINCOLN MAP/DOCUMENT REVIEW (City of Lincoln, CA)*

Reviewed parcel maps, subdivision maps and legal descriptions as a consultant to the City of Lincoln.
